GENERIC LIST - WHAT TO BRING

Please see the camp information document for a more specified list applicable to your course and camp

	CHECK
• Appropriate walking shoes (hiking boots). Thorns go straight through takkies or sport shoes!	
• Sandals for around the camp	
• Khaki (or neutral coloured) clothing for the bush	
• Warm Jacket and jersey (gloves and scarf as it can get very chilly in the mornings and evenings in winter)	
• Hat for protecting both the head and neck	
• Sunscreen	
• Bath soap and towel	
• Torch – very important (a headlamp is very handy as well as a standing lamp for in the tent)	
• Extra batteries	
• Pen / pencil and small notebooks	
• A4 Notebooks / Notepads	
• Small field note books	
• We supply some bedding but please bring sleeping bag and small pillow for sleep outs.	
• Raincoat / Poncho	
• Insect / tic repellent	
• Water bottles, at least 2 litres. We recommend a camelback, MTB or walking water pouch.	
• Any small snacks / cigarettes etc you would like as there are no shops in the area!	
• Any reference / field guide books you may have	
• Binoculars and a birding book are essential for your birding courses!	
• Camera	
• Rucksack / daypack	
• Any personal medication	
• CASH (in ZAR Rands only) - sufficient cash for 4 weeks if you intend to purchase from the camp shop. The camps do not have easy access to the closest towns which have ATMs but the ATMs may not always work.	
• Battery operated alarm clock (cellphone/mobile batteries run out and students need alarm clocks to wake up at the allocated times)
